

The Circle of Fifths

After studying the keys, write the names of the keys inside the circle, next to their respective key signature.

The diagram features a large central circle with the text "enharmonic keys" written inside it. Surrounding the circle are 12 musical staves, each with a key signature. Starting from the top and moving clockwise, the key signatures are: C major (no sharps or flats), G major (one sharp), D major (two sharps), A major (three sharps), E major (four sharps), B major (five sharps), F# major (six sharps), C# major (seven sharps), G# major (seven sharps and one double sharp), D# major (eight sharps), A# major (eight sharps and one double sharp), and E# major (nine sharps). The letter 'b' is placed to the left of the second staff (G major), and the sharp symbol '#' is placed to the right of the seventh staff (C# major).
